

Big River Journey Spring 2011

What is Big River Journey?

Big River Journey (BRJ) integrates river and classroom experiences that connect 4th-6th grade students to the science and heritage of the Mississippi River. BRJ culminates with a riverboat excursion on the Mississippi River featuring hands-on learning stations.

Teachers who sign up for Big River Journey incorporate river-themed activities into their classroom. Pre- and post-trip classroom activities are selected by each teacher from many activity options presented in advance teacher workshops. Big River Journey is aligned with Minnesota Academic Standards.
